- 1.3. You will be eligible for the Extended Warranty if you have purchased a specific appliance(s) in the United Kingdom to which the promotion applies during the limited promotional period.

2. Promotions

- 2.1. If we are running a promotion for the Extended Warranty and you would like to participate in it, you have 90 days from the end date of the specific promotion period in which you purchased the appliance to apply for the Extended Warranty.
- 2.2. To apply for the Extended Warranty, you must register your appliance within 90 days of the end date of the specific promotion period in which you purchased the appliance using the online form at www.miele.co.uk/promotions. - 2.3. On receipt of your proof of purchase, we will check the details you have provided, including that your product is eligible for the Extended Warranty, as shown at www.miele.co.uk/promotions and that it has been purchased within the promotional period. You will then be issued with a Miele Service Certificate in your name via email. Please allow up to 60 days for your certificate to arrive before contacting us. All certificates are issued digitally, and we do not offer printed certificates.
- 2.4. If you have claimed the Extended Warranty, you will be covered once you have received the 'promotion entered' confirmation email and will only receive this as long as all qualifying criteria for the Extended Warranty are met. If you have any queries, please get in touch with us for further assistance.

- 3.1. The Extended Warranty:

This decision is made solely by Miele, meaning we have the final say on which option to choose.
- 4.3. Any parts removed from an appliance during a repair become our property.
